Attendance at Graduation

Breakfast at 8:30 a.m.
Practice will immediately follow breakfast.

Commencement Attire

- The graduation cap is to be worn straight and leveled (not tilted). The tassel should be hanging on the right side of your cap.
- No decorated caps will be allowed.
- **Young men:** Nice collared shirt (graduate gowns are V-neck), nice dress slacks, or starched jeans, (no shorts will be allowed), Dress shoes or boots (no flip flops). Make sure that hair and facial grooming is consistent with school policy.
- **Young women:** Dress or skirt that does not extend below the gown or dress slacks. Because of the unstable turf of the field, flat heels should be worn. **NO spiked heels or stacked wedges are allowed.** (This is a tripping hazard). This is for your safety and to avoid embarrassment.

Commencement Behavior Expectations

- Students will be checked-in by campus staff when they arrive at the High School Campus. No purses, cell phones, air pods, bags, umbrellas, or other personal items should be carried on to the field. Items will be safe in the High School Library and may be picked up until **30 minutes** after the ceremony.
- Students possessing prohibited items (vapes, tobacco products, weapons, alcohol, etc.) will be referred to the Constable's Office and not allowed to participate in the graduation ceremony.
- Due to the new turf on the football field- the following items are prohibited; NO gum, NO seeds, NO party poppers, NO Silly String.
- We will host a "instruction time" to review procedures on Thursday, May 25th at 8:30 a.m.
- Inappropriate behavior or behavior not in keeping with the dignity of the ceremony will not be tolerated and students participating in such behavior will be subject to removal.
- The only acceptable activity during the ceremony is observing and listening to what is happening on the stage. The adult line leader for your row will assist you in getting to the stage at the appropriate time.
- Students must leave the field in a timely manner after the conclusion of the ceremony and should exit the field through the same gate that they entered. Staff will remain for **30 minutes after the ceremony** to let you back in the building. After this allotted time, staff are released to go home. Therefore, you may miss out on getting your belongings from the building and have to schedule a time with the office to pick them up at a later date.

Pictures/Video/Live Streaming

- 1) We respectfully request that parents and graduates plan to take pictures off campus before the ceremony.
- 2) Please be respectful of others during the ceremony. We ask that no one get up from their seats to take photos during the ceremony.
- 3) Individual pictures of each graduate will be taken as they receive their diploma. Picture packages will be available for purchase from [Shonda Dryden Photography](#). Below is a photo of the packages and pricing. You will receive official information about how to order the week of May 1-5.
