### Federal Requirements - Schoolwide Program

The 10 Schoolwide Components under NCLB have been removed.

ESSA requires three actions that are essential for effective implementation of a schoolwide program.

In accordance with the revised (12/10/15) Section 1114(b)(1) of Title I, Part A Statute, a Schoolwide program shall include the following federally required components:

1. Conduct a comprehensive needs assessment - (SCNA) Schoolwide Comprehensive Needs Assessment.
  - a. Takes into account information on the academic achievement of children in relation to state academic standards.
  - b. Any other factors determined by LEA.
2. Prepare a comprehensive schoolwide plan - (SPA) Schoolwide Plan and Activities.
  - a. Developed with involvement of parents.
  - b. Provided in language that the parents can understand.
  - c. Developed in coordination with other federal, state and local resources – violence prevention, nutrition programs, Head Start, Career and Technical education.
  - d. Description of strategies that will be implemented.
  - e. Opportunities for all children to meet state academic standards.
  - f. Methods and strategies that strengthen the academic program, increase the amount of quality learning time, provide enriched and accelerated curriculum.
  - g. May use funds to establish or enhance preschool programs.
  - h. May operate dual or concurrent enrollment programs that address needs of low-achieving students to include – training for teachers, tuition and fees, books and required instructional materials, innovative delivery methods, transportation.
3. Annually evaluate the schoolwide plan - (SPE) Schoolwide Plan Evaluation.
  - a. Regularly monitored and revised based on student needs.
4. Coordination and integration with other Federal State and local services - (SCI) Schoolwide Coordination and Integration.

Strategy: 504 Students - Students classified as 504 are those who have a physical or mental impairment which limits a major life activity such as learning, self-care, walking, seeing, hearing, speaking, breathing, working and performing manual tasks, as well as an academic need. Assessments are administered if students are demonstrating chronic difficulties unresponsive to intervention strategies to determine need for ARD or 504 determinations.  The educational program for a Section 504 student will be modified to meet the individual needs as identified by assessment data.  Testing Accommodations may include the following: Individual or small group administration, projection devices, manipulating tests materials, oral/signed administration, extra time, large print, transcription, and use of a calculator or overlays.  Environmental accommodations may also be made for students. These may include changing student's seating as needed for the situation, adapting environment to avoid distractions, providing notebooks for organization, and providing lighting accommodations or non-verbal behavior cues (cue cards).
